## Commission Policies Relating To Deferments

- Cal Grant recipients are eligible to apply for a military deferment whether or not they have actually enrolled in classes before entering military service. Deferments for those enrolling in the Peace Corps are limited to those recipients who have actually begun use of their grants.
- Deferments are limited to a period not to exceed five years.
- A recipient who is granted a deferment will be responsible for contacting the Commission concerning reactivation of the award. Within one year following return to civilian status, the Commission must be contacted to acquire renewal information. For an award to be reactivated, all financial need requirements must be met.

You will be notified by mail of the decision concerning your request for a grant deferment.
